

About Me

My name is Panagiotis Sinopidis and I live in Katerini , a small town in greece. I was born on February 13th and I am 16 years old. I live with my parents and brother, and we also have a cat.

Personality Traits

I am open minded and adventurous. I really enjoy trying new stuff even if I think I won't like them. I also get anxious when I have a problem, or just a little thing to do, so I need to solve it instantly. Unfortunately im not open when meeting new people but I'll try my best.

What I like doing

- I used to play basketball for many years but then stopped due to the pandemic. I now am not into any sport but I may change my mind in the near future.
- I also truly enjoy watching any kind of movies or series.
- And lately I started reading online books as well.

My goal

I want to work as a philologist .

I would also love to travel to different countries so I experience new cultures and meet people.

I am looking forward to meeting you all !

Have a nice day !
