Communication skills

I can easily start discussion with somebody. For example my summer job. When I was working in stock, I spoke with truck drivers from Germany, France and Denmark.

Organisational / managerial skills

Many times this year I was a coach in basketball for about 30 kids. This job has given a lot, for example you need to be a leader because kids are watching you and you need to show the best as you can. I can not swear because I need to be a pattern for them.

Job-related skills

I dont have them.
I was just a worker.
